ALL fields with a red asterisk (*) are MANDATORY

Your scientific content preferences (only applies to Full registrations)

Select your preferences. You can select multiple categories

This selection will be used to let you know when your preferred sessions will take place

Let us know if you would like to be informed about the brand new Fireplace sessions

Fireplace sessions are private meetings between a keynote speaker, 2 moderators and a selected number of young participants

Preferences

Categories

Let us know which topics you are interested in. We may alert you when your preferred sessions will take place.

- a. Basic science and virology
- b. Epidemiology - local, regional, global
- c. Clinical features, case management, outcome
- d. Diagnostics
- e. Drug development and treatment modalities (incl. clinical trials)
- f. Immune response, immunomodulation
- g. Vaccine development and trials
- h. Infection control
- i. Public health policy, mitigation
- j. Preparedness and response
- k. Other societal aspects (incl. economics)

Fireplace sessions

These sessions are designed as private meetings between a keynote speaker, two moderators and a selected number (up to 20) of young participants, who pre-register for the session. The aim is to enable an informal discussion and promote exchange between an established leader and young professionals. If you tick this option, you will be informed of all available fireplace sessions and may later register.

- I would like to attend to Fireplace sessions
